Con el paso del tiempo Amira se hace más interesante, al acariciarla descubres que aunque es suave, unos pequeños surcos te transmiten todo lo que ella ha vivido, le imprimen carácter, elegancia y madurez.

Lo que más me fascina, son esos momentos en los que la luz la ilumina y un suave brillo te deja embelesado.

Amira es una colección completa que por fin llega a Emotion.

As time goes by, Amira becomes more interesting, when you caress her you discover that although she is soft, her small grooves transmit everything she has lived, they give her character, elegance and maturity.

What fascinates me the most are those moments when the light illuminates it and a soft glow leaves you spellbound.

Amira is a complete collection that finally arrives at Emotion.

Au fil du temps, Amira devient plus intéressante, quand on la caresse on découvre que bien qu'elle soit douce, ses petits sillons transmettent tout ce qu'elle a vécu, ils lui donnent du caractère, de l'élégance et de la maturité.

Ce qui me fascine le plus, ce sont les moments où la lumière l'éclaire et où une douce lueur vous envoûte.

Amira est une collection complète qui arrive enfin à Emotion.

AMIRA Collection

Recuerdo la primera vez que vi a Amira, acababa de aparecer, era pequeña, con unas piquitas muy características, suave y tersa al tacto, pero también preparada para luchar contra viento y marea.

Tenia claro que levantaria pasiones y daría mucho de qué hablar...

I remember the first time I saw Amira, she had just appeared, she was small, with very characteristic little freckles, soft and smooth to the touch, but also ready to fight against all odds.

I was sure that she would raise passions and give a lot to talk about...

Je me souviens de la première fois que j'ai vu Amira, elle venait d'apparaître, elle était petite, avec des tâches de rousseur très caractéristiques, doux et lisses au toucher, mais aussi prête à se battre contre vents et marées.

Il était clair pour moi qu'elle allait susciter des passions et faire parler d'elle...

PECAN *Elegance*

En la pared, un susurro de madera, trazos de alma tejida que te transportan a un bosque donde los árboles se alzan, como columnas naturales, guardianes de secretos que descansan bajo la luna.

La verticalidad de los árboles es una invitación a elevar los ojos, a soñar con altura, Pecan Elegance es una extensión de este bosque a tus proyectos

On the wall, a whisper of wood, traces of woven soul that transport you to a forest where the trees stand, like natural columns, guardians of secrets that rest under the moon.

The verticality of the trees is an invitation to raise your eyes, to dream high, Pecan Elegance is an extension of the forest for your projects.

Sur le mur, un murmure de bois, des traces d'âme tissées qui vous transportent dans une forêt où les arbres se dressent, comme des colonnes naturelles, gardiens de secrets qui reposent sous la lune.

La verticalité des arbres est une invitation à lever les yeux, à rêver haut, Pecan Stripes est un prolongement de la forêt pour vos projets.
